

CHRISTIAN TESTIMONY OF HONORE TUYISHIME

My name is Honore Tuyishime. I am a young man born in 2002. I was born into a family with both parents, but at that time my family did not have a clear understanding about the Cross, the resurrection of Jesus Christ, or the true way to receive eternal life.

In 2016, my parents joined a church called MINEVAM and received Jesus Christ as the Savior of their lives. I continued following them because they were my parents, but personally I still did not understand the true meaning of salvation in Jesus Christ. I believed that doing good things and helping people could become a bridge to eternal life, which I later understood was not the true Gospel.

In 2020, I joined TTC Matimba for my secondary education, where I studied SME (Sciences and Mathematics Education). There, I met many friends, including Patrick M., N. Diogene, I. Dominique, and others. Those friends became unforgettable people in my life because they helped me join a choir called Narrow Gate Choir.

After some time, the leader of the evangelism team approached me and asked me to teach the Word of God during a fellowship meeting. It was my first time standing in front of people to preach. Later, she informed me that I would preach during the Sunday service. I became very afraid because it was my first experience preaching before many people.

I approached one of my friends for advice, and he encouraged me to pray more, ask the Holy Spirit to lead me, and continue reading the Bible. I followed his advice, but at that time I was still spiritually in darkness because I did not yet have a clear understanding of eternal life and salvation.

As time went on, I became a leader in the choir and later served as an advisor. After graduating, I joined the Primary Teaching Residency Program for further training in education. During that period, I received a great opportunity to join ADEPR, where I learned more deeply about the Holy Spirit and the true meaning of salvation. I understood that eternal life cannot be received through human works, rules, or personal righteousness, but through faith in Jesus Christ.

Throughout this journey, I developed a strong love for reading the Bible. The Holy Spirit continued to sanctify me through the Word of God and through the blood of Jesus Christ. One day, I fully realized that I was a sinner in need of God's mercy, and I asked God to receive me as His child.

Today, I know that I am a child of God not because of my works, but because of His grace. As it is written in John 1:12, John 3:16, and Romans 8:16, my spirit now confirms together with the Spirit of God that I am His child.

Nowadays, I serve as a preacher of the Good News of Jesus Christ. I preach about the death of Jesus Christ, His resurrection, the importance of His sacrifice, and the power of the Cross. I now understand clearly that salvation comes not by works, but through faith in Jesus Christ.

I am also a student at Promise Bible Center of Theology. In addition, I currently serve as Secretary in the CEP Kigali Independent University – Gisenyi Campus Holiday Program. At the same time, I continue serving at CEP UR CE Rukara Campus, where I minister as a singer in Horeb Family Choir and also serve as a preacher in CEP.

I continue to serve the Lord with passion and dedication according to the command of Jesus Christ in Matthew 28:19 and Acts 1:8. I preach the Gospel through YouTube, WhatsApp channels, and groups where I spread the Good News through a ministry called **Gospel Everywhere (Ubutumwa Bwiza Hose)**.

In the future, I desire to continue being guided by the Holy Spirit in every step of my life. My prayer is that God may continue to strengthen my faith, increase my understanding of His Word, and use me for His glory. I am committed to continuing to serve God faithfully through preaching the Gospel, worship, teaching, and encouraging others to know Jesus Christ. Until my last breath, I want my life to remain dedicated to the service of the Lord and to the fulfillment of His mission according to Matthew 28:19 and Acts 1:8.

May God bless you.
